

Chapter 6
Rules of Appellate Procedure

. . . .

Division XI

Transfer, Submission, and Further Review

. . . .

6.1103(4) *Length of application or resistance.*

a. The application or resistance may not exceed two-fifths of the length limitations for a required brief specified in rule 6.903(1)(f) exclusive of the court of appeals decision, table of contents, table of authorities, relevant materials from the district court record, district court orders, and administrative agency decisions.

b. An application for further review or resistance must include a certificate of compliance using form 10 of rule 6.1401.
